

WELLER CARTOGRAPHIC SERVICES LTD.

Is pleased to continue its efforts to provide map information on the internet for free but we are asking you for your support if you have the financial means to do so?

If enough users can help us, we can update our existing material and create new maps.

We have joined PayPal to provide the means for you to make a donation for these maps. We are asking for \$5.00 per map used but would be happy with any support.

Weller Cartographic is adding this page to all our map products. If you want this file without this request please return to our catalogue and use the html page to purchase the file for the amount requested.

If enough interest is generated by this request perhaps, I can get these maps back into print as many users have asked.

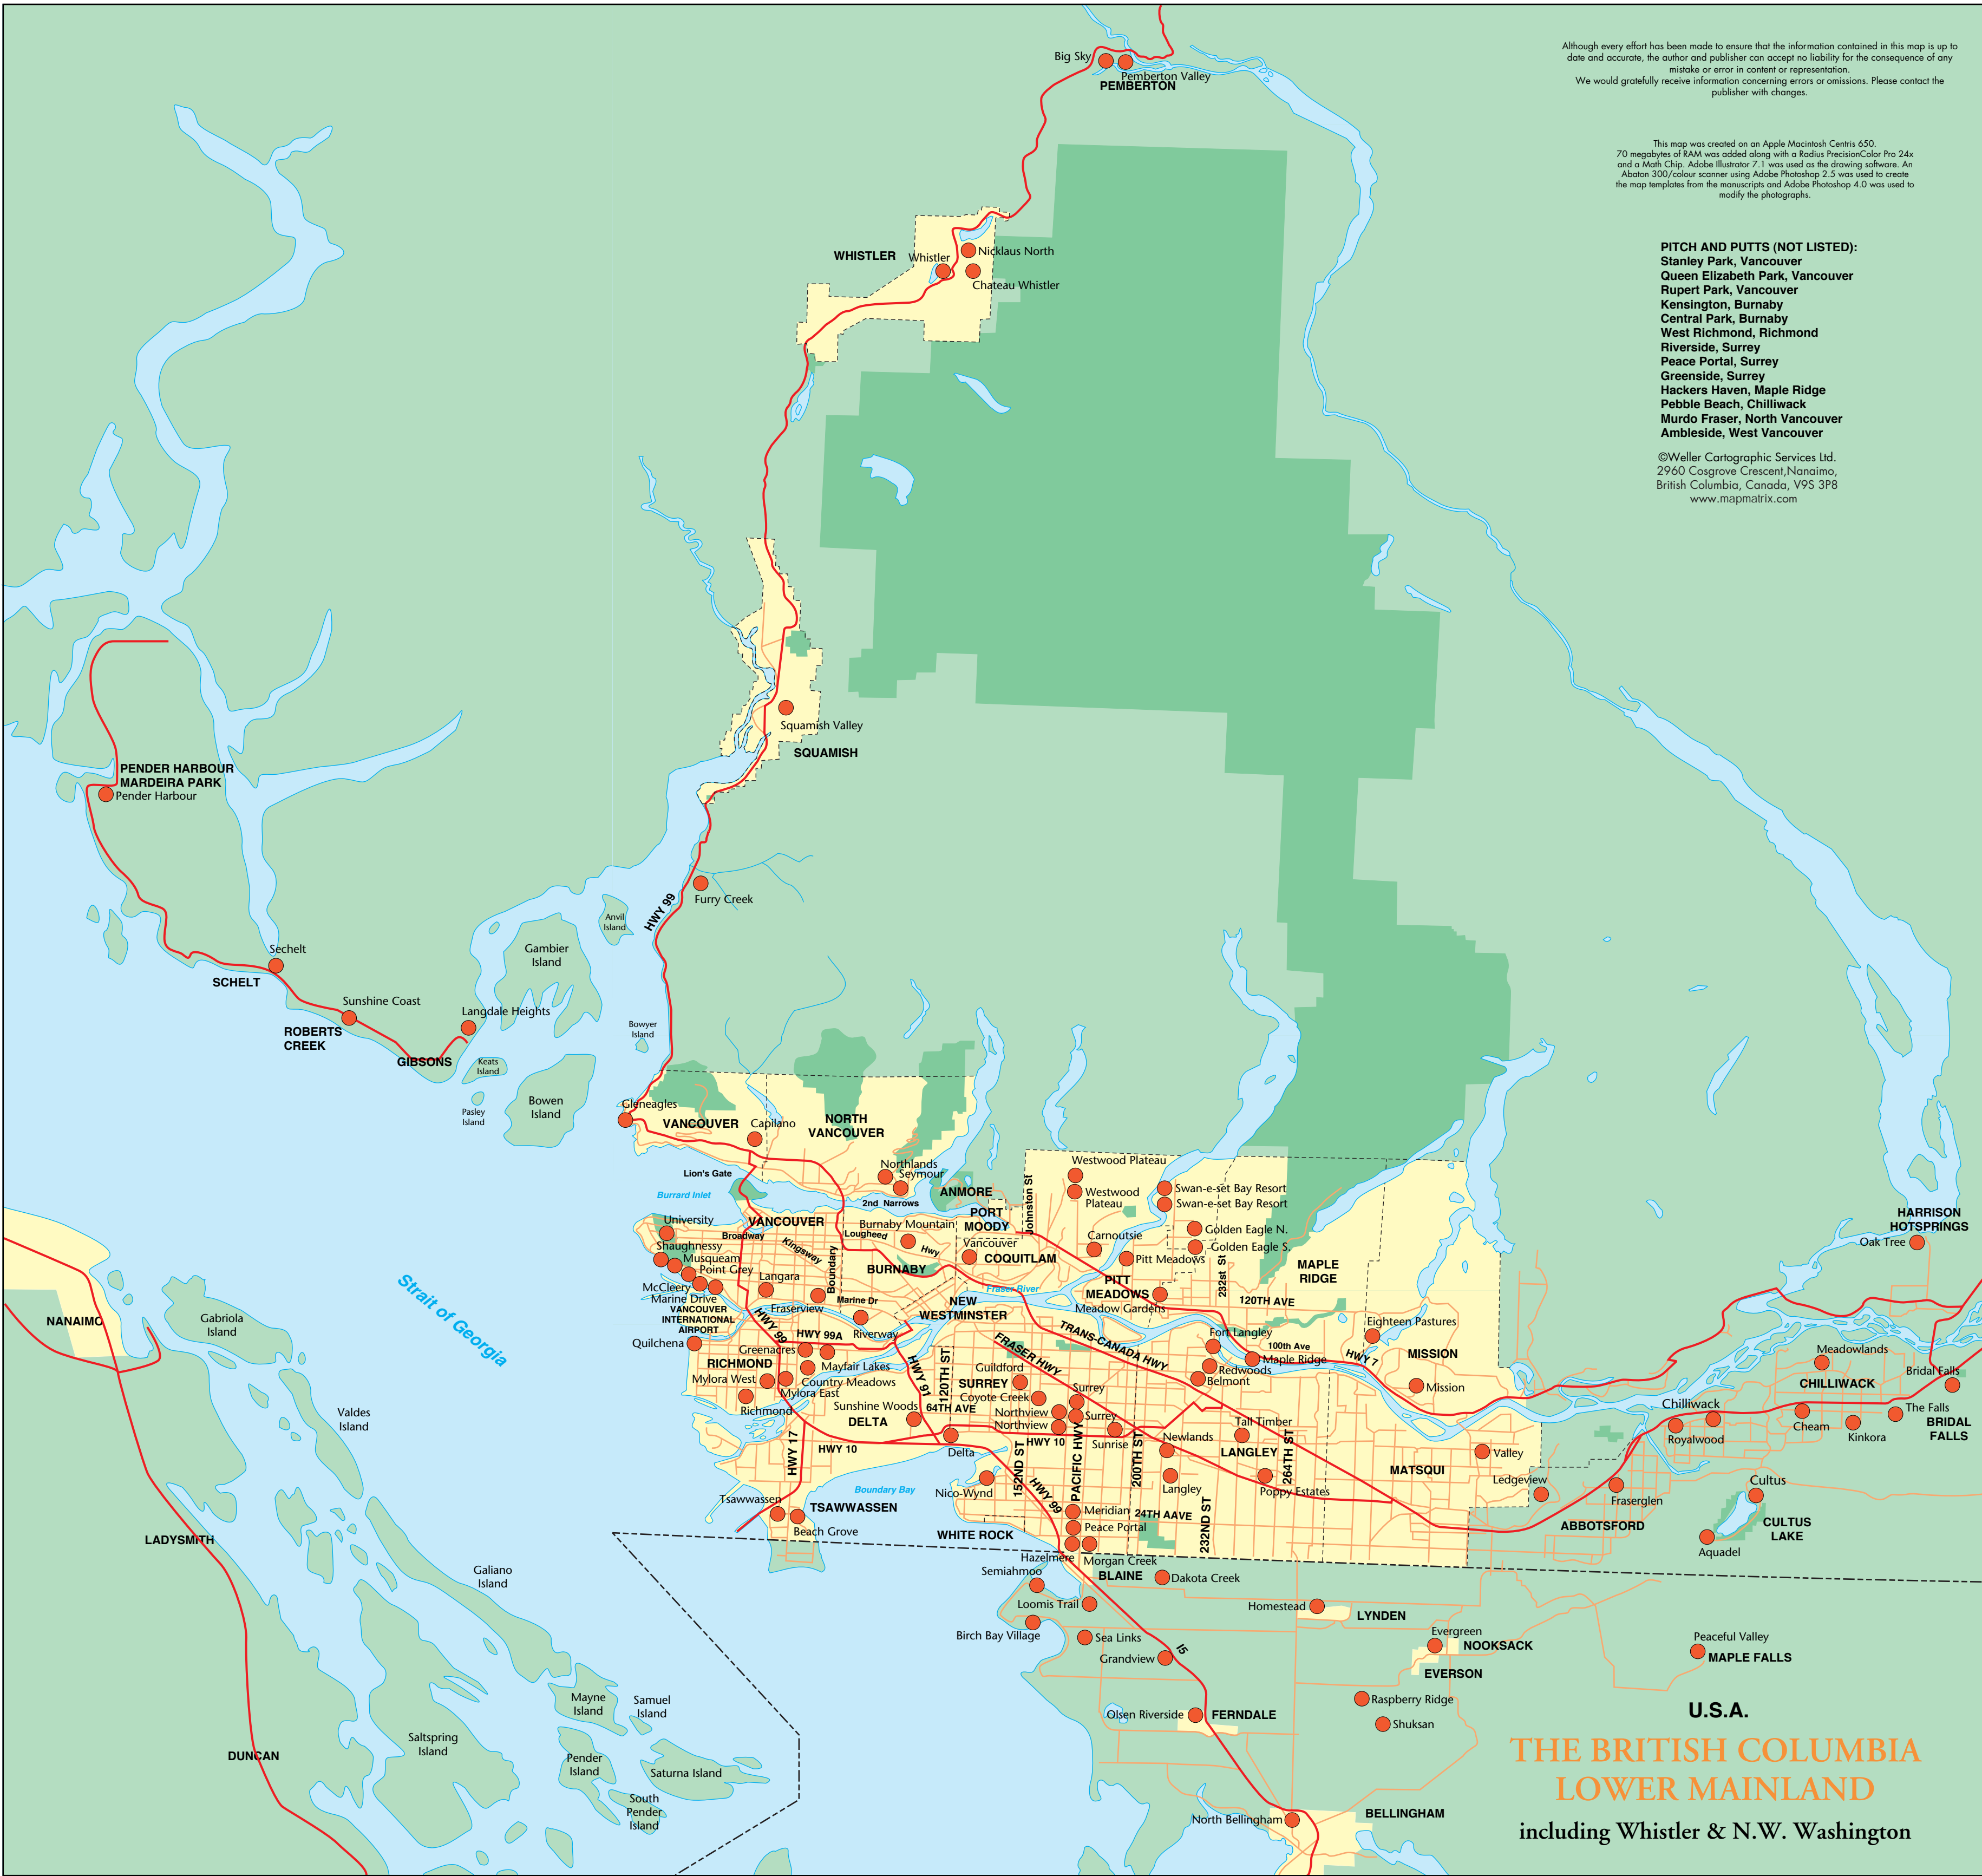

Thank you for your support,
Angus

Although every effort has been made to ensure that the information contained in this map is up to date and accurate, the author and publisher can accept no liability for the consequence of any mistake or error in content or representation.
We would gratefully receive information concerning errors or omissions. Please contact the publisher with changes.

This map was created on an Apple Macintosh Centris 650.
70 megabytes of RAM was added along with a Radius PrecisionColor Pro 24x and a Math Chip. Adobe Illustrator 7.1 was used as the drawing software. An Abaton 300/colour scanner using Adobe Photoshop 2.5 was used to create the map templates from the manuscripts and Adobe Photoshop 4.0 was used to modify the photographs.
